					4:00 – 5:00 CANSKATE \$251	

New Bridge Program at Woodbridge

The Bridge Program is designed to promote organic transition from the Skate Canada CanSkate program into the Star Program. The Bridge replaces the Elite Program and is designed for skaters who have reached the Stage 5 or Stage 6 CanSkate level.

Note: Current Elite Program participants will be transferred into The Bridge program, should they choose, or can register for CanSkate or a combination of both programs.
